Certification, Identification, and Marking
of Aircraft and Related Products

Supplement No. 1, CAM 1

December 15, 1959

SUBJECT: New Issuance System—Change of date of CAM 1 to December 15, 1959

The purpose of this supplement is to provide a new FAA cover and introductory note for Civil Aeronautics Manual 1 and to bring the manual up to date so far as the Civil Air Regulations are concerned.

The new cover, introductory note, and revised pages transmitted with this supplement will make present CAM 1 current as of December 15, 1959. The next change to this manual will be issued as Supplement No. 2 to CAM 1.

References to CAA have been changed to FAA, where appropriate, on all pages, including the index pages, submitted with this supplement. This change will be made on other pages as revisions to this manual are issued.

New regulatory material is indicated by brackets; however, editorial changes have not been so marked.
